ADVERTISEMENT.—The Repairs of the Town Hall having been completed, in order to prevent inconvenience, it is particularly requested that when the Building may be required for Public Reception or Meetings, application should be made to the Sub-Committee of the Town Hall on that subject, mentioning therein the day and the hour for which it is required.

By Order of the Sub-Committee of the Town Hall,

A. TROYER,

Assistant Secretary.

Calcutta, the 9th July, 1833.

NOTICE is hereby given, that a Special General Meeting of the Subscribers to the Civil Annuity Fund will take place at the Town Hall, on Monday 26th August, to take into consideration the following proposed changes in Rules III. VIII and XI.

Extract from letter to Managers.

It appearing to us that the unprecedented stagnation of promotion in our Service arising from the loss by numerous mercantile failures and other unforeseen causes, of the hard earned accumulations of many of our Senior Members, calls for some measure of relief; moreover that one of the main objects of our subscribing to the Fund has been only partially attained by the very limited number of Civilians who have retired since the institution of the Fund, leaving 96 Annuities unaccepted up to the present year 1833, inclusive, the following Regulations are therefore proposed to be substituted for Regulations III. VIII. and XI. for the period of 4 years, viz. for 1834-5-6-7.

In lieu of Regulation III.

The Annuities for 1834-5-6-7, are fixed at 15,000 Rs. each, payable in England at 2s. the Rupee, being £1500 Sterling.

In lieu of Regulation VIII.

The number of Annuities offered for 1834-5-6-7 shall not be more than with the 96 now unappropriated may complete 12 per annum, the 96 of £1,000 being reduced to 24 of £1,500 each.

In lieu of Regulation XI.

Any Subscriber who may accept the tender of an Annuity shall be required to entitle him to such Annuity to pay to the institution previous to the date at which the Annuity is to commence,—if now residing in India the difference between one-third, and if now in Europe or on his passage out, one-half of the actual value of the Annuity on his life, and the accumulated value of his previous contribution in case the latter quantities shall be less than the former; the value shall be determined as below provided. No Subscriber shall be entitled to the increased Annuity who shall not have resided 2 years in the service after his return to India. Should all the 48 Annuities provided for in Regulation VIII. not have been accepted by 1837, the remainder shall be claimable according to precedence of choice after that period on payment of one-half the value as above provided for.

NOTICE is hereby given, that a Special General Meeting of the Subscribers to the Civil Annuity Fund will take place at the Town Hall, on Monday 26th August, to take into consideration the following proposed changes in Rules III. VIII and XI.

Extract from letter to Managers.

It appearing to us that the unprecedented stagnation of promotion in our Service arising from the loss by numerous mercantile failures and other unforeseen causes, of the hard earned accumulations of many of our Senior Members, calls for some measure of relief; moreover that one of the main objects of our subscribing to the Fund has been only partially attained by the very limited number of Civilians who have retired since the institution of the Fund, leaving 36 Annuities unaccepted up to the present year 1893, inclusive, the following Regulations are therefore proposed to be substituted for Regulations III. VIII. and XI. for the period of 4 years, viz. for 1894-5-6-7.

In lieu of Regulation III.

The Annuities for 1894-5-6-7, are fixed at 15,000 Rs. each, payable in England at 2s. the Rupee, being £1500 Sterling.

In lieu of Regulation VIII.

The number of Annuities offered for 1894-5-6-7 shall not be more than with the 36 now unappropriated may complete 12 per annum, the 36 of £1,000 being reduced to 21 of £1,500 each.

In lieu of Regulation XI.

Any Subscriber who may accept the tender of an Annuity shall be required to entitle him to such Annuity to pay to the institution previous to the date at which the Annuity is to commence,—if now residing in India the difference between one-third, and if now in Europe or on his passage out, one-half of the actual value of the Annuity on his life, and the accumulated value of his previous contribution in case the latter quantities shall be less than the former; the value shall be determined as below provided. No Subscriber shall be entitled to the increased Annuity who shall not have resided 2 years in the service after his return to India. Should all the 48 Annuities provided for in Regulation VIII. not have been accepted by 1897, the remainder shall be claimable according to precedence of choice after that period on payment of one-half the value as above provided for.
